Welcome to the Sixth Annual
**Sooke Salmon
Enhancement Society**
Chinook Salmon Derby

History

From the early 1960's Jack Brooks and a few volunteers could see the need to enhance salmon runs in the Sooke River and local creeks. With Jack's persistence, the enhancement grew from clearing log jams, salvaging and relocating fry, to clearing a small site on private property, where a few homemade gravel incubation boxes and old bathtubs were used to hatch and catch new fry. In 1981 the Hatchery was officially founded on Rocky Creek, off DeMamiel Creek, off Sooke River.

Expanding from a few more incubation boxes to stacks of Heath trays, increasing the number of Capilano troughs, and adding large rearing tanks was made possible by the hard work of many volunteers. The Hatchery of today, has grown to be the main influence on the ever increasing returns of Chinook and Coho to the Sooke River and its tributaries. Because the Jack Brooks Hatchery releases 500- to 700-thousand Chinook and 100- to 200-thousand Coho yearly, the proceeds from this Derby will help the Volunteers' endeavours to ensure salmon will return to our area for all of us to enjoy.

The Sooke Salmon Enhancement Society's members thank you for your continued support. We hatch 'em so you can catch 'em. Good luck!

LYLE BOND

Born August 16, 1963
Left us behind on August 8, 2008

The Sooke Salmon Enhancement Society is proud to pay tribute to Lyle by dedicating our 2009 Chinook Derby to his memory. Born in Calgary, growing up for the most part in Olds, Alberta, Lyle found himself on the West Coast and took to the waters like a native.

When he joined the ranks of our volunteers, he did it with a dedication we quickly grew to respect. His best moments were in the Fall, during Brood Stock production, but, when he found himself working for the Derby, he found a new niche and threw himself into the work.

As Vice-President, he spent a massive amount of effort learning the intricacies of the "paper chase" in order to be involved on an even larger level, and his loss was a huge one for the Society, since we all knew he was going to be an important asset to the group, not only as a friend, but as a leader we will all miss greatly.

Thank you, Lyle, it was a short visit, but a great one.

The Sooke Salmon Enhancement Society gratefully acknowledges the following for their assistance with the Derby :

- Chris Craig for weigh-in site
- Eagle Eye Wilderness
- HHS Drilling & Blasting Ltd.
- Sooke Community Association
- Sooke Lions
