In Memorium Sooke Salmon Enhancement Society Friends

It is with sadness and the greatest respect, we honour the memory of two fine people who were valued supporters of our efforts.

Bill Dryden's talents and generous expertise ranged far and wide from teaching pharmacology and how to tootle the pipes to gardening and running model trains. But Friday's in fish feeding season he found time to care for thousands of salmon fry that were always happy to receive his interest and attention. Rain or shine, Bill often remarked about the pristine setting of the SSES hatchery and of how much he loved communing with the creek and the tiny insatiable charges temporarily confined to tanks.

Sheila Nicholson-Rewston, beloved wife of Tony Rewston, was an avid supporter of the Society. She was a friend to all and loved her adopted home town of Sooke.

JACK BROOKS HATCHERY

In 2012, approximately 200 Chinook returned to Sooke River, and approximately 5,000 Coho came back to the Sooke River and Demamiel Creek together.

This year the Sooke Salmon Enhancement Society raised

- 277,500 Chinook
- 115,000 Coho
- 60,483 Chinook at the Government dock seapen

... and then we released them into local waters.

We hatch 'em so you can catch em!

The Sooke Salmon Enhancement Society gratefully acknowledges the following for their assistance with the Derby:

- Chris Craig for the Weigh-In Site
- HHS Drilling & Blasting Ltd.
- Sooke Community Association
- Helgeson's Oyster Farm
