SOOKE SALMON ENHANCEMENT SOCIETY
2016 Chinook Salmon Derby
Rules & Regulations

1. All entrants **must** hold a valid Tidal Waters fishing licence or Status Card. DFO regulations shall take precedence in all cases. Your valid Licence and Derby Ticket must be shown at time of weigh-in. No Chinook entries under 15 pounds.
2. One rod per ticket. Extra persons may be in the boat to steer, assist in landing fish, etc., but they are not permitted to fish.
3. One entry fish per day (heaviest entry) per ticket. Heaviest fish will bump previous entry on the same ticket. **Example:** A 20-pound fish caught on Saturday would be bumped by a larger fish taken on Sunday by the same angler on the same ticket.
4. The same entry may not win multiple prizes. Prize category must be declared at weigh-in and cannot be changed. **Example:** Same fish cannot win the weight prize, ladies' prize, and largest hatchery fish.
5. Weigh-in times are as stated - no exceptions. See Page 6.
6. Allow yourself time to drive to weigh-in station before deadline! See Page 6 for items to remember.
7. All prizes awarded at the Awards Dinner. Winners or proxies should be present to accept fish prizes and draw prizes. Winners not present will receive one phone call. **If winner does not claim prize within two (2) weeks, prize shall remain the property of the Sooke Salmon Enhancement Society.**
8. By purchasing a ticket, entrants agree that their photo may be taken and used for promotional purposes or forwarded to media organizations for possible publication. Parents or guardians of participants under the age of 18 must contact a director of the Society should they not want pictures of children taken or published.

JACK BROOKS HATCHERY

Last year's returning stocks for the Sooke River were about 750 to 1,000 Chinook. DeMamiel Creek's Coho returns were down again because of the removal of Bill James Dam, the lack of summer water flows showing up in the return of only about 500 Coho for 2015, compared to about 5,000 in the past years when we had the summer water flows from Bill James Dam. In 2016, SSES released 74,072 Coho into Young's Lake. We released 430,629 Chinook into the Sooke River and 82,556 Chinook from our sea pen project, for a total of 513,185 Chinook released into the Sooke River & Harbour. This year marks a historical milestone of more than 19 Million enhancement fish released by the Jack Brooks Hatchery. We count on the dedication of our volunteers and sponsors to make this all happen

We hatch 'em so you can catch em!

The Sooke Salmon Enhancement Society gratefully acknowledges the following for their assistance with the Derby:

- Ministry of Transportation & Infrastructure
- Sooke Community Association
- Helgeson's Oyster Farm
- Sooke Lions Club
